

## ***Detachment of Virginia Children & Youth – Call To Action***

Comrades-

I am reaching out again asking for a quick email to [saljgallagher@gmail.com](mailto:saljgallagher@gmail.com), with a one line quick statement of what was your most successful Children and Youth event you did within your Squadron this past year. With your consolidated reports now having been completed and sent in, this should be easy as you have already thought through this for the year.

This information is not going to be used for anything more than sharing a list that includes everyone's most successful event this year so that others may benefit from your hard work in their planning for the coming year.

I stress the importance of sharing and helping one another which results in growth and results in supporting our Sons programs in a greater way.

## ***Detachment of Virginia Children & Youth – Call To Action***

Please send me that one event, it is as simple as saying for example:  
We did a dinner for two kids in need in our area that raised over \$3K to help with their medical expenses and needs.

I look forward to getting a bunch of responses in my inbox at [saljagallagher@gmail.com](mailto:saljagallagher@gmail.com)

Thanks and I look forward to seeing many of you at convention next month.

For God and Country  
Joe Gallagher  
Children & Youth Committee Chairman  
Detachment of Virginia
